**Re: Quantity Surveying Reference**

ARV Quantity Surveying Ltd has carried out the following services for us:

- Retention Recovery – Our cash flow has been increased by £25k
- Quantity Surveying – Pricing work, take-offs and B of Q preparation
- Debt Recovery – We were released £5k by a contractor who owed us an invoice for over 6 months

ARV is now an integral member of our team and we only wish we had come across their services years ago.

Their work is always professional, concise and honest.

We would have no hesitation in recommending ARV Quantity Surveying Ltd to others.

Yours Faithfully

James Bragg

Managing Director
