To Whom it May Concern

Dear Sir/Madam,

**Re: Cost Value Reconciliation System – Contractor Reference**

We confirm that ARV Surveying & Developments Ltd installed a Cost Value Reconciliation System at our offices.

The system is easy to manage on a monthly basis and caused little to no disruption while being installed.

We always struggled to report the link between cost to value and subsequently profit and the system introduced by ARV Surveying & Developments Ltd has eradicated this problem.

The system has been up and running for 10 months and is now a vital part of our internal accountancy procedure.

We would have no hesitation in recommending ARV Surveying & Developments Ltd to other companies who may require a CVR system.

Yours Faithfully

Simon Britton

**Managing Director**
