To Whom it May Concern

Dear Sir/Madam,

Re: Quantity Surveying – Contractor Reference

We confirm that ARV Surveying & Developments Ltd have assisted S.K Heating & Cooling Ltd with contractual issues and Quantity Surveying services.

We have always been appreciative of their professional service and flexibility in meeting our requirements, sometimes at short notice.

We are currently increasing our turnover in the commercial market and we have asked ARV Surveying & Developments Ltd to assist with this process by introducing risk reduction systems and providing cost and contractual advice.

Yours Faithfully

Simon Kershaw

Managing Director
